The beautiful weather of the past few May 7th, 1842. He entered the HERALD The beautiful weather of the past few days has started up the spring work in fine style. All our farmers are busy plowing the ground in most cases being in good condition. The good women of the land are overhaoling their boxes of garden seeds, while the good men are groaning in auguish of spirit over the thoughts of aching backs and blistered hands as visions of the long garden beds to be spaded up rise up before. Already the air is thick with the smoke of many bonfires as the trush composed of dead vines, leaves, etc., is raked together and burned. Oh! for a cast-iren back with a hinge in it.
